

40 years of 5p- Society

“The Faces of 5p-“ Awareness Campaign

You are invited to join us in the 2026 Awareness Campaign, “The Faces of 5p-“ by submitting a picture of your loved one with 5p- Syndrome (also known as Cri du Chat syndrome) along with a short bio.

We are hoping to receive pictures and bios from families all over the WORLD. This also marks the 5p- Society’s 40th Anniversary aka Ruby Anniversary of providing information, awareness and support to over 5,000 families around the globe. We would love to have representation of individuals of all ages for the Faces of 5p- campaign.

If you would like to participate, please submit your pictures (in either jpg or png in portrait is preferred), bio information and release form by April 25, 2026 to director@fivepminus.org. We will prepare the document to be showcased.

We will begin to showcase the pictures on our Social Media pages each day during the month of May and beyond. The goal is to get enough pictures to put together an awareness campaign video slide show to use to promote and create awareness of the syndrome.

Please fill in the information below and submit with your picture to fivepminus@gmail.com:
