KICKING OFF FUNDRAISING FOR THE 2026 ANNUAL CONFERENCE!

A huge thank you to the Arellano and Querbach families for their incredible fundraising efforts during Dickens on Main in Boerne, TX! With the help of the Vela family, they ran a holiday festival booth selling corn in a cup, Frito pie, and hot chocolate, all to kick off fundraising for the 2026 5p- Society Annual Conference in San Antonio, TX. Their dedication and hard work set a fantastic example of how local efforts can make a big impact! We encourage other families to get creative and organize fundraisers in their communities to help make future conferences possible. Every effort counts—let's work together to make 2026 unforgettable!

HELP SUPPORT THE 5P- SOCIETY THROUGH FUNDRAISING!

We are incredibly grateful for the generous donations and fundraising efforts from individuals, families, and businesses—your support is vital to the awareness, advocacy, and support of those with 5p- Syndrome. As we continue our mission, we need your help to ensure we can provide resources and events for our community.

Looking for ways to get involved? Consider hosting a fundraiser in your local area! Popular ideas include silent auctions, golf tournaments, trivia nights, charity runs, restaurant fundraisers, garage sales, and more. Every effort, big or small, makes a difference. Together, we can continue to support and advocate for individuals with 5p- Syndrome!

FOOTPRINTS OF 5P- SYNDROME (CRI DU CHAT SYNDROME) AROUND THE WORLD! LOCATION MAP!

We're updating our 5p- Society Location Map and need your help! Originally created in 2017, we're expanding it to include all families—not just those in our database, but also those in our social media community, and even worldwide. This map will help us plan Regional Family Get-Togethers, future conferences, and outreach projects. Your information will only be used for the map, and you will not be added to the society's database. Please submit your details by February 28, 2025, so we can unveil the updated map during 5p- Awareness Month in May 2025. Let's make an impact together!
